

NAA 2019

Chronological vs. Vascular Aging: Biological, Clinical and Population Implications

The theme of the 9th Annual meeting will focus on “Chronological vs. Vascular Aging: Biological, Clinical and Population Implications” and will feature Plenary Lectures, Keynote lectures, Symposia and Tutorial lectures by international leaders in the field and oral and poster presentations by young investigators and trainees. We will also continue with the popular Debate between two experts on a controversial topic in the field of vascular aging. Our sessions and exhibits will be hubs of discussion, with opportunities to network with leading basic, clinical and population scientists, practicing physicians and other professionals from the United States, Europe, Asia and Central and South America including members of our sister societies ARTERY (Europe), Pulse of Asia (Asia) and LATAM (Latin/South America). There will be ample opportunity to visit and view hands-on demonstrations of the latest technologies, devices and other products from our sponsors.

Abstract Deadline: March 8, 2019

2019 NAA Program Committee

Gary Pierce, PhD (Co-Chair and NAA Treasurer)
Bo Fernhall, PhD (Co-Chair)
Elaine Urbina, MD (NAA President)
Julio Chirinos, MD, PhD (NAA Vice-President)
Stella Daskalopoulou, MD, PhD (NAA Secretary)
Ray Townsend, MD (NAA Past-president)
Dean Winter, PhD
David Edwards, PhD
Tina Brinkley, PhD
Stanley Franklin, MD
Daniel Duprez, MD, PhD
Kerrie Moreau, PhD
Kevin Heffernan, PhD
Mahboob Rahman, MD
Demetra Christou, PhD

Abstract Content

- Type the title of the abstract and the presenting author's name and affiliation in capital letters. Additional authors and their affiliations should be typed in title-case.
- Paragraphs should use the following subheadings: INTRODUCTION, METHODS/DESIGN, RESULTS, CONCLUSIONS.
- Define all abbreviations the first time they appear in the abstract.
- Use only generic names of drugs.
- Proofread the abstract carefully before submitting.

Grading of Abstracts

- Abstracts will be scored by the members of the Program Committee based on scientific merit and written presentation.
- Notification of acceptance will be sent to the corresponding author by approximately April 1, 2019 via email.
- The presenting author is expected to attend the Annual Meeting to present the abstract and pay the registration fee.
- Six trainee abstracts will be selected for the Trainee Oral Abstract Presentation session.

Cover Letter

All abstracts must be uploaded with a cover letter indicating the name of the corresponding author (first, middle, last), Degree, Title, Institution, Street Address, City, State, Postal Code, Telephone, and Email address.

The following statements and your signature must be included as part of the cover letter.

⇒ "The author affirms that the material submitted has not been previously published or presented at any national or international meeting, and any experimentation has been conducted according to a protocol approved by the institutional committee on ethics or, if no such committee exists, that it conforms with the principles of the Declaration of Helsinki of the World Medical Association (Clinical Research.14: 193, 1966). The undersigned also certifies that all authors named in the abstract have agreed to its submission for presentation at the Ninth Annual Meeting of the North American Artery Society."

⇒ "I understand that my presentation will be included in the conference program and on the NAA website (www.naartery.org) but the website will only be viewable for NAA members. I hereby grant NAA permission to publish my abstract as part of the conference materials and on their website for NAA members."

***Note:** If you do not wish to have your abstract published on the NAA website, then replace the above statement with the following: "I prefer not to have my abstract published on the NAA website".

Submit abstract with cover letter to:
